

## **Grade Level Goals**

**Age 3:** The three year olds will become familiar with the Bible stories and understand the stories' basic meaning.

**PreK-K:** The children will relate with Bible characters and put themselves in the Bible story.

**Grades 1–2:** The first and second graders will comprehend stories, identify with characters, and apply actions they can take in their own lives.

**Grades 3–4:** The children will understand the structure of the Bible, and be able to navigate within the Bible to find stories they know or want to explore.

**Grades 5–6:** The fifth and sixth graders will know the Bible well enough to dig further into the stories, to interpret and determine ways to apply and compare Bible text to their own lives.
