

Sunday Telephone Outreach Program

St. John's is able to connect people, on a conference line, to services at St. John's. If you are ill, out of town, or unable to attend the services, but would like to listen, **Call: 1-877-408-0392** and follow these instructions:

1. **Press speaker button** on your phone set.
2. When connected, you will be asked for a Conference Code: **Enter 132410#**.
3. You will hear music until the sound technician (at St. John's) connects you when the service has started. **PLEASE NOTE:** remember that you are on a conference line so those who are also listening on that line, can hear you as well.
4. When the service is over, you may disconnect the phone by raising the handset and putting it back

down to hang up. This is important, as your line will have a busy signal, if you don't actually disconnect your line by hanging the phone up.

You are not charged for this service. It is offered as an outreach service project to St. John's members.
